SALARY SCHEDULE FIXED FOR TOWN SCHOOL TEACHERS.

Maximum Figure Named in Grades and 40 Yearly Increase Provided For.

A salary schedule for the teachers of the schools of the town was one of the most important matters settled at a meeting of the town school committee on Tuesday evening in its rooms at the town hall. A maximum figure which is now the maximum in Broad-

way school was reached for all the teachers, providing also that the application of this schedule should not operate to lower the salary at present received by any teacher affected. The following was the schedule of maximum salaries adopted: Kindergarten, \$200; grades 1, 2, 3, 4 and 5, \$250; grades 6, 7 and 8, \$300; grade 9, \$350; grade 10, \$400; grade 11, \$450; grade 12, \$500.

The minimum salary for new teachers without experience hereafter engaged was placed at \$450. It was provided that there should be a \$40 yearly salary increase until the maximum for the grade was reached, but that the yearly increase indicated in the schedule should be contingent upon the recommendation of the superintendent and of the school board.

Chairman H. A. Tirrell presided at the meeting, which was attended by the full committee and the superintendent, and was not adjourned until five minutes past midnight. Clerk Thomas J. Kelly kept the minutes.

Reports were made by the committee on supplies and care of property. Superintendent Graham submitted a set of rules for teachers which were endorsed and will be submitted to the board of education for their approval. He also read the rules for principals, which were endorsed by the committee. The territory for the three supervising principals was also assigned as follows:

GOOD OPENING FOR COUNTY FAIR

58th Annual Attraction Thousands To The Fair Grounds—Feature Balloon Ascension—Thrilling Racing On The Track

Big Cattle Exhibit—Midway a Noisy and Busy Place—Premiums Awarded in Poultry and Pet Stock Department—Farmers' Day Today.

With an attendance estimated at close to 5,000 people, the 58th annual fair of the New London County Agricultural society was opened on Tuesday at the Fair Grounds here.

The postponement was necessary, in the opening on account of the weather on Labor day naturally had a big effect in cutting down the first day crowd, which was only about a third of what might have been expected for the regular opening day, but had no effect upon the fair management had to offer in the line of attractions nor in the busy time which the day meant for all the workers who put up in a full day of attendance at the grounds, and had things moving smoothly to the satisfaction of exhibitors and the general public.

Weather-Held Crowd Back.

Largely because of the still threatening weather in the morning, the crowd was not an early one in arriving, but when it came they found the fair officials ready for them. In general charge of the arrangements, Secretary Charles D. Greenman, who has been in charge of the fair since 1904, a veteran in that position, had the details well worked out, and his assistants did not lack in the work.

At the ticket windows were Dwight H. Hough, Fred Tryer, Calvin L. Swan and Frank H. Hilton, who were in charge of the ticket sales. Herbert Hill and Charles Yarrington at the gate. Treasurer C. W. W. had the general supervision of the ticket sales.

Labor Union Workers.

Central Labor union representatives took tickets on Tuesday as they would have done on Labor day. George W. Nichols and Joseph Adams disposing of the pastebars at Franklin square, and Edward Muller and Walter C. W. at the ticket windows.

Something for Everybody to See.

Inside the grounds the visitors found plenty to occupy their attention, finding the midway straight ahead of the grandstand, the cattle sheds around the fences as another point of interest well worth a visit. Inspection and the grandstand, the cattle sheds around the fences as another point of interest well worth a visit.
